Lightning's Peank with a Compass Needle. [Orlando Record.] A funny thing occurred last Thursday

when the House adjourn it be not to meet until Monday. Agreed to, until Monday. Agreed to.

Leave of Absence.

Leave of absence was granted Mr. Jones, two days; Mr. Pilcher, three days; Mr. Jarratt, one day, and Mr. John Roberts, two days.

By Mr. Ryan; To permit tax-payers who prior to the 5th day of December, thing for the stable and cattle-yards.

SEINE THREAD.

A horse tan way on Main street, and the wife left seven poor little chit and to revise, arrange, and consolidate into a code the general statutes of the commonwealth, approved May 16, 1887.

The remedy now so celebrated, Salvatino Oil, is recommended by experiment of the 5th day of December, thing for the stable and cattle-yards.

SEINE THREAD.

A horse tan way on Main street, and the wife left seven poor little chit and to revise, arrange, and consolidate into a code the general statutes of the storm took shelter under a large tree, leaving his compass on the jack-staif, some two for three hundred yards away. During the storm a tree very near the compass was struck by lightning, and allowing his runaway wife to go her own way here had too much Oats, when we had quite severe lightning. One of our surveyors was out in the woods surveying, and on the solidate into a code the general statutes of the storm took shelter under a large tree, leaving his compass on the jack-staif, some two for three hundred yards away. During the storm a tree very near the compass was struck by lightning, and allowing his runaway wife to go her own way here had too much Oats, Mr. Pilcher, three of the commonwealth, approach of the storm took shelter under a large tree, leaving his compass on the jack-staif, some two for three hundred yards away. During the storm a tree very near the compass was struck by lightning, and allowing his runaway wife to go her own way here had too much Oats, which steems a buggy behind him on the street, and the wife. A horse first a buggy behind him on the street, and the wife. The horse hundred with the woll allowed supporting the compass which

to make the north point of the needle change position and point south. The gentleman not knowing that fact, when started, as he supposed, for home. After walking eight or ten miles, going north, as the compass indicated. as the compass indicated, he, away in the night, came to the house of an old settler, who, upon inquiry, told him where he was and how far from Orlando, and the proper direction, which, of course, was exactly opposite to that indicated by his compass. After becoming satisfied some-thing was wrong with the compass and that the settler was right, he retraced his steps and arrived at home tired, wet, and mad. This is the second instance we have known of the needle of a compass being affected by lightning so as to be-come reversed. We believe this, as we know the gentleman has not been to Kissimmee lately, nor received anything by express from there.

A PICTURESQUE EMBASSY. Officials Now in Washington.

[Washington Star.] The embassy that recently arrived in Washington from Corea is attracting attention from all sides. Their coming is regarded as important from the fact that this act on the part of the Corean Government indicates a new step in the direction of advanced civilizawhat skates are to the Hollander—the tion by the Mongolian race, of Japanese have already gone far ahead of their neighbors, and now the Coreans propose to learn from European and American nations the ways and means of mond, the bill in relation to the in- between the admirers of the American advancement. DOWN BY THE SEA.

An Arctic Wave-Ice on the Potomac-Navy-Yard Notes-Personals and Briefs.

(Correspondence of the Richmond Dispatch.) NORFOLK, VA., January 20, 1888. An Arctic wave, somewhat akin to a blizzard, struck this section last night and ice is everywhere to-day, affording

fair skating on the ponds and creeks of the neighborhood. No sunshine to-day and the skies are leaden and indicate more snow. All the incoming steamers this morning arrived with their wheel houses covered with see and report a bitter night on Chesapeake bay and considerable ice in the Potomac. There is but little activity in business along Unique Appearance of the Corean the river front to-day except at the wharves of the transportation companies. Below the wind-bound fleet continues moving out of the Roads with the

westerly winds. Wreckers to-day raised the Jamesriver trading sloop Surry, sunk yester-day in collision with the Bay-Line steamer Gaston. The cargo of corn is ruined. Captain William H. Spooner, of Ports-
